

Stakeholder Engagement and Governance Management Structures

Stakeholder Engagement and Governance Management Structures

This course discusses the importance of equitable stakeholder engagement in planning. The course will discuss the different stakeholders and provide recommendations on how to map and engage stakeholders.

The course is a portion of the [Nature Based Solutions for the Global South Course](#) published by UrbanShift that can be accessed at this [link](#).

The UrbanShift Program was funded by the GEF (Global Environment Facility) and led by UN Environment).
