

# AIR QUALITY COMMUNITY OF PRACTICE OF LATIN-AMERICAN AND AFRICAN CITIES

Coordinated by WRI Mexico and Africa

## Second stage: 2nd tech talk | Operationalizing air quality forecasts in the city context

The second tech talk of the second stage of the Air Quality Community of Practice of Latin American and African cities (part of the CanAIRy Alert project), sought to create a shared understanding of the challenges of operating an #AirQuality forecasting system in cities in the Global South.
